# TO GET NURSES UP IN RETRIAL FOLLOW DRIVE

### ister Every One Able to Give Assistance.

The Washington Nursing Survey in the District of Columbia will make a house-to-house canvass, according to a statement issued last night by Dr. Ralph Jenkins, chairnan of the District committee.

This Washington survey is a part of the nation-wide survey which is being conducted by the American Red Cross in order to register the nursing resources of the nation.

The War Department and the Surgeon General of the Army have requested that a record be kept of all graduate nurses, pupil nurses, trained attendants, or practical nurses in this country. These will be called upon for war enlistment or home defense needs, if necessary.

or home defense needs, if necessary, it is a part of the campaign, "I have. Have you" instigated by the American Red Cross.

Questionnaires for registration can be obtained from the Red Cross Teaching Center, 1413 G street northwest. These should be filled out and filed with the same office.

regularly can make a mustake by flushing the kidneys occasionally, flushing

No man or woman who eats meat regularly can make a mitable by flushing the kidneys occasionally, Meat forms uric acid which excites the kidneys, they become overworked from the strain, get slusgish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizzness, sleep-lessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weak-leady.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

# Can't "Do Your Bit" with "Every Picture Tells a Story" a Bad Back

IN THESE critical times every one's best is badly needed. But you can't do your best if half crippled with a lame, aching back. If you suffer with constant backache, feel lame, weak and all-played-out; have dizzy, nervous spells and fits of "blues"-look to your kidneys. You can't do a full day's work without well kidneys and a

sound, strong back. Use Doan's Kidney Pills. Doan's have helped thousands of workers. They should help you.

D. H. Zirkle, lieutenant, fire department, 2020 Fourteenth St. S. E., says: "I caught a cold in my kidneys about a year ago and it caused my back to ache. When I first got up in the morning, there was a lameness in the small of my back and all through the day there was a dull, heavy pain in my kidneys. I was troubled by my kidneys acting too frequently, especially at night. I suffered from severe headches, too. I had used Doan's Kidney Pills with great success before, so I used three boxes from Haines' Drug Store and they cured me of the attack."

#### TENTH STREET.

Mrs. Amanda B. Berkeley, 533 Tenth St. S. E., says: "Doan's Kidney Pills have done so much for me, I am always glad to tell any one how good they are. Damp weather always put my kidneys in bad condition and I have had rheumatic pains all through my body. I could hardly bend over, and when I did get down it hurt me dreadfully to straighten again. When I used Doan's Kidney Pills they put an immediate stop to the trouble."

THREE YEARS LATER, Mrs. Berkeley said: "Doan's Kidney Pills are the only dependable remedy I know of for kidney trouble. I have always been promptly relieved when I have used them."

#### GEORGIA AVENUE.

Mrs. B. Vogelsberger, 2018 Georgia Ave. N. W. says: "My back gave me a great deal of trouble about three months ago. There was a dull, conabout three months ago. There was a cult, con-stant ache in the region of my kidneys and it made me feel miserable. Mornings I woke up feeling all tired out and I never felt as if I had had sleep enough. Dizzy spells came over me and I would come near falling. My son advised me to try Doan's Kidney Pills and I did. Two boxes from the People's Drug Store cured me."

A. J. Bargagni, city fireman, 212 K St. N. E. says: "At different times I have used Doan's Kidney Pills with the best of results. My back was giving me a lot of trouble last winter, and I could hardly stoop over to put on my shoes in the morning because of the sharp pains. My kidneys acted too often and the secretions were unnatural. I suffered from severe headaches, too. Two boxes of Doan's Kidney Pills from Laddon's Drug Store cured me of the attack."

#### G STREET.

John C. Harper, city fireman, 1116 G St. S. E., says: "For the last fifteen years I have used Doan's Kidney Pills for kidney ailments. I am exposed to all kinds of weather and no doubt that is what brings on the attacks. At times, the pains are so severe in the region of my kidneys I can hardly get up or down. My kidneys act irregularly and the secretions are unnatural in passage. I used Doan's Kidney Pills from Fealy's passage. I used Doan's Kidney Pills from Fealy's Drug Store at these times and am always fixed up in excellent shape."

#### CHESTER STREET.

Mrs. E. Flaherty, 2231 Chester St., says: "I uffered a great deal from lame back a short time ago. There was a constant, dull pain in my kidneys and across the loins. Every twist of my body caused pain. Mornings I got up feeling all tired out and just as if I had just finished a hard day's work. My hands and feet were swollen pretty badly because of the sluggish condition of my kidneys. I heard about Doan's Kidney Pills and three boxes cured me of the attack."
